

Director Supply Chain Manager

Sicoya is a technology leader in silicon photonics based interconnect solutions with headquarter in Berlin, Germany. We offer monolithically integrated transceiver chips for next generation data centers. The team consists of highly professional design engineers and managers with many years of experience in bringing state of the art products to the market. As a **Director Supply Chain Manager** at Sicoya, you will dive into a unique challenge, as you are involved in the design and the development of the next generation of optical transceivers. You will be responsible for the management of equipment, raw material, work in progress, and other logistical details and associated information flow. The main task is to ensure that operational and program objectives of the company are met. It will be your job to manage all the steps needed to purchase raw materials, deliver it to various points throughout the business to meet customer demand. The Director Supply Chain Manager owns supply agreements, the supplier selection process and must oversee capabilities and roadmaps of all relevant international vendors and technical partners in the company's technical field.

Start: a.s.a.p.

Your tasks:

- Define a vendor selection process
- Create supply agreements
- Negotiate terms and conditions with vendors
- Keep track of raw material stock and work in progress at all locations of the supply chain
- Support product development projects by proposing new vendors and help engineers with communicating with vendors
- Oversee Engineering change requests

Required profile:

- Master's degree in Electrical Engineering or Physics
- Good knowledge in the optical communication industry
- Strong technical and verbal/written communication skills
- Must have a minimum of 5 years' experience in relevant positions
- Team player that thrives in a dynamic working environment
- Professional working proficiency in English is mandatory & knowledge of German is an asset
- Willing to do frequent domestic and international travel
- Profound experience in procurement, logistics and operational management
- Oversee export control regulations

What we offer:

- High degree of personal responsibility
- Exciting and varying tasks
- Ambitious team that is working together for more than 10 years
- Flexible working hours, free drinks and fruits
- Fascinating opportunity in an international high tech start-up environment in the middle of Berlin

Are you interested in working with us? Then we may just be waiting to hear from you. Please send us your CV and a motivation letter by email to: jobs@sicoya.com
