

Purchase Manager

Sicoya is a technology leader in silicon photonics based interconnect solutions with headquarter in Berlin, Germany. We offer monolithically integrated semiconductor chips and transceivers for next generation data centers that are manufactured by CMOS foundries and Asian based contract manufacturers. The team consists of highly professional design engineers and managers with many years of experience in bringing state of the art products to the market. As a **Purchase Manager** at Sicoya, you will work in a highly international environment and dive into a unique challenge. You will be responsible for the acquisition of new equipment, and raw material to ensure that operational and program objectives of the company are met.

Start: a.s.a.p.

Your tasks:

- Manage vendor related contracts, e.g. negotiate terms and conditions of supply agreements
- Own the purchasing process of major capital investments
- Define a vendor selection process
- Continuously screen the market for new suppliers that will improve key performance indicators of Sicoyas vendor base
- Keep an overview of operational raw material stock together with operations team
- Support product development projects by proposing new vendors, manage purchase of engineering samples and ensure that new vendors meet Sicoya's performance criteria

Required profile:

- Master's degree in Electrical Engineering or Physics
- Good knowledge in the semiconductor and high speed communication industry
- Experience in optical communications is a plus
- Strong technical and verbal/written communication skills
- Must have a minimum of 3 years' experience in relevant positions
- Team player that thrives in a dynamic working environment
- Professional working proficiency in English is mandatory & knowledge of German is an asset
- Willing to do frequent domestic and international travel
- Profound experience in procurement, logistics and operational management

What we offer:

- High degree of personal responsibility
- Exciting and varying tasks
- Ambitious internationally expanding team
- Various future carrier opportunities as you will be an early member of the growing purchasing and logistic team
- Flexible working hours, free drinks and fruits
- Fascinating opportunity in an international high tech environment in Berlin

Are you interested in working with us? Then we may just be waiting to hear from you. Please send us your CV and a motivation letter by email to: jobs@sicoya.com
