

Assembly Operator (f/m/d)

Sicoya is a technology leader in silicon photonics based interconnect solutions, located in the Berlin Adlershof Science City. We offer monolithically integrated semiconductor chips and transceivers for next generation data centers that are manufactured by CMOS foundries and Asian based contract manufacturers. The team consists of highly professional design engineers and managers with many years of experience in bringing state of the art products to the market.

We are looking for technically minded, problem solving and inquisitive Machine Operators to work in our new production line. You must be self-motivated and be able to work on your own initiative as well as a part of a team.

Job Responsibilities:

- Operating of automatic and semiautomatic pick-and-place-machines
- Manual soldering of SMD components
- Chip to Chip or Chip to PCBA wire-bonding
- Performing of quality controls in accordance to our quality standards
- Analysis, documentation, tracking of failures in our products
- Documentation of the manufacturing steps in the computer-integrated manufacturing system (MES)
- Performing of easy preventive maintenance actions
- Conducting of process-controls

Your profile:

- Technical education / training / apprenticeship
- Working knowledge in the electrical and/or optical field with some previous assembly experience with an engineering, small items assembly environment
- Experienced in using a microscope is an asset
- Comfortable with MS Office (Excel in particular)
- Basic knowledge in English
- High resilience, flexibility and reliability
- Attention to detail and a high level of accuracy along
- Willingness to perform shift-work

We provide:

- High degree of personal responsibility within a flat company hierarchy
- Ambitious internationally expanding team
- Various future career opportunities for every career level
- A relaxed and inspiring working environment with lounge area, free drinks and fruits
- Regular team events and team building measures

Are you interested in working with us? Then we may just be waiting to hear from you. Please send us your CV and a motivation letter by email to: jobs@sicoya.com
